

CARPETING

Shaw Contract Group carpets are now available for purchase to all PAEJPC members. Take advantage of nationally negotiated pricing. Avoid the hassle of the bid process. Deal directly with the manufacturer. Enjoy peace of mind knowing that your product and its installation will be warranted by the world's largest carpet manufacturer.

Shaw Contract Group

Shaw Contract Group is a commercial flooring division of Shaw Industries, Inc., a \$4 billion Fortune 500 company under the Berkshire Hathaway family of companies. The strength and stability of our organization, as well as our breadth of product offering, give us the operational independence to fulfill our customers' unique floorcovering needs. From initial contact to post-installation follow-up, whether it's a small, single city structure or thousands of dollars' worth of global properties, your total satisfaction is our #1 goal.

Local Contact: Ron Royer

I have been employed with Shaw Contract Group for over 13 years. I specialize in products for the institutional market, specifically K-12. I reside in York, Pennsylvania along with my wife Kerry and twin daughters Kacey & Lizzie.

Shaw Contract Group products are engineered for the toughest environments while providing excellent aesthetics. Our High Performance Products offer the following:

- High-performance fibers, including premium branded Eco Solution Q nylon
 - Bleach-resistant products constructed of solution-dyed nylon, stand up to high pH cleaners and resists fading from sunlight and ozone.
 - Stain-resistant yarn systems block stains and repel soiling.
- High-performance backings
 - Ultraloc MP: Superior wet strength and moisture impervious so it keeps spills on the surface making them easier to clean. Also available with attached cushion.
 - ES (environmental system): offers a peel and stick option for tile and 6' products.
 - EcoLogix: a high-performance cushion backing with 90% recycled content.
 - EcoWorx: 100% recyclable PVC-free backing that is light weight, provides an impenetrable moisture barrier, and excellent dimensional stability.
- Environmentally responsible
 - EcoWorx backing and Eco Solution Q contain recycled content and are Cradle to Cradle products, meaning they can be recycled back into more backing and fiber.
 - EcoWorx provides the industries only Environmental Guarantee-Shaw will pick up any EcoWorx backed product at the end of lifecycle, free of charge, and recycle it into more EcoWorx.
 - EcoWorx, a PVC alternative, is the only floor covering product to ever win an award from the Environmental Protection Agency (EPA), the Presidential Green Chemistry Challenge Award.
 - All Shaw Contract Group products offered for sale today are CRI Green Label certified, meaning they meet stringent requirements for low chemical emissions.
- Today's value
 - Shaw Contract Group offers a wide range of products that meet the performance and budgetary needs of today's educational facilities.
 - Carpet ensures lower overall lifecycle costs compared to VCT flooring.
 - Carpet provides excellent sound absorption and insulation.
 - Carpet can improve indoor air quality.
- Lifetime Limited Warranty
 - Covers tuft bind, backing integrity, moisture management, resilience, edge ravel and abrasive wear.
 - Warranty is among the best in the industry.
